

K-LOVE serves me as a resident of the Raleigh-area community because it is positive and uplifting music, encouraging me and making me a better citizen. If K-LOVE were displaced by an LPFM broadcaster, I would have no alternative strong-signal radio station as reliable and consistent playing the music that builds me up as a person. And, I would have no radio source for national-level news that is pertinent to my sphere of society. Please do not expand LPFM stations to the degree the K-LOVE would be unavailable in my region.
